

The 2010 Golden Wattle Award

Congratulations to Justin Kwok, our Honorary Secretary, awarded as one of the “*top Outstanding Chinese Australian*”, at the inaugural, 2010 Golden Wattle Award.

The GWA is awarded to ethnic Chinese Australian youth who have demonstrated their talent and achievements in business, public service, professional, academic, arts, culture or sports.

The selection committee was comprised of senior officials from both Australian and Chinese governments and was chaired by Dr. SHI Zhengrong, an Australian-Chinese, and CEO and Chairman of Suntech Power, one of the biggest manufacturers of solar panels in the World.

Other than a trophy, Justin becomes a member of the “*Committee of Top 100 Young Outstanding Chinese Talents in Australia*” (Committee of 100), a network that promotes cooperation and exchange between members and facilitates economic cooperation between Australia and China.

As a result of winning this award he would be working more closely with the ACYF and the Committee of 100, an excellent source of networking for our Association in Australia.
